NOVEMBER GENERAL MEETING

Monday 14TH November at 9.45 am at the New Masonic Hall
(The entrance is on top floor of Council/New World car park building)

DUTY GROUP– Film Appreciation
CONVENOR: - Beulah Heaven (425 6545)

9:15 a.m.	Duty Group arrive to set up
9:45 a.m.	Assemble
10:00 a.m.	General Business
	Mini Speaker – Dr. John Gray – ‘What is a living will – do you want or need one?’
10.40 a.m.	Morning Tea
11:00 a.m.	Main Speaker– Dr. Andy Allan – ‘Gene Therapy and how it can affect the fruit industry’.

NB: *The Duty Group should ensure that the room is prepared for the meeting and returned to the original state afterwards (Convenor has instructions). The Hall will be open from 9.15 a.m.*

Dr. John Gray: John has been practicing law for 37 years, initially working in Auckland until he moved to Warkworth in 1994 and is now runs a partnership in Neville St. His talk will be of particular interest to members who are unfamiliar with his topic.

Dr. Andy Allan: Andy is a Horticultural Research Scientist with the School of Biological Sciences, University of Auckland, based at HortResearch, Mt Albert Research Centre. His special interest is in the field of plant biochemistry and post harvest research. He will give us a glimpse of the research that helps keep New Zealand in the forefront of horticultural knowledge and fruit production.
